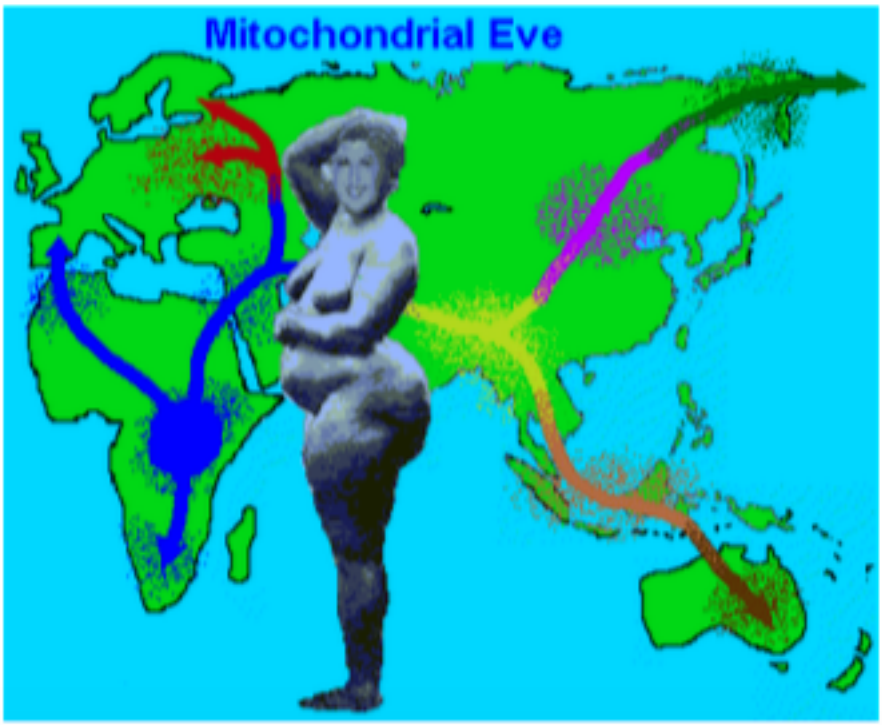
LIES ABOUT HUMAN ORIGINS



Before we start to expose the human hybrid people groups we have to realize that we all share the DNA of our ORIGINAL SCANDINAVIAN MITOCHONDRIA MOTHER RACE. It does not matter what color your skin in today, we all descended from the original Mitochondria mother race before the DNA tampering began in Africa and in other locations that may very well include the North and South Poles. We all use only 3% of our Human DNA today it is referred to as our Active DNA. 97% of our DNA is what scientists refer to as E.T. Junk DNA. Scientists thought that this huge chunk of DNA was inactive and just going along for the ride but they now think it has been SHUT OFF, DISABLED and or REPLACED BY E.T. JUNK DNA.

Today the different races we see are a direct result of aliens tampering with the Human Genome. This is a conversation that

NEEDS TO TAKE PLACE BECAUSE IT IS AS OBVIOUS AS THE CLOUDS IN THE SKY WHEN YOU THINK ABOUT IT.

The reason having this discussion is so important is because a massive lie is being orchestrated today regarding human origins and alien DNA intervention. The lie is being spread like a virus by human hybrid bloodline guru's who are basically being mind gamed by aliens. Scary but true. Generally, speaking the primary force of these lies are the AshkeNAZIM, Sephardic Jews and Merovingian bloodline elite and alien abductees who are either mind gamed with this information by aliens or do not want us to know the truth about our REAL ORIGINS. The ASM's have been able to change history because they have always had control over what we learn. We refer to them as the Global Elite the UPPER 1% and by many other names. They are and control the Deep State.

Yes, that's right. We have been ruled by people with hidden agenda's for thousands of years, who have lied to us about our human origins so that their hybrid descendents can began to promote Aliens as our creators. These people want you to think that all of the races one earth were born through the ALIEN Intelligent Design process. Intelligent Design is a process where

by an entity, known as a god figure, bumped up the DNA of primates to create mankind. This is now being referred to as Evolution. The Sumerians referred to their god as GOD ANU. However, the real truth is that ORIGINAL MAN, OUR MITOCHONDRIA MOTHER RACE, DID NOT EVOLVE FROM PRIMATES. AS A MATTER OF FACT, it was members of our Mitochondria Mother race that were abducted by aliens and were artificially inseminated through rape and inbreeding.

During the process, just like today, sperm and ovum were/are taken by aliens. That sperm/ovum (DNA) was then used to create alien hybrids, chimera like Big Foot, and the different races on earth we have today such as the Black Eve and Indian Adams. Seven Different races migrated out of Africa with Mitochondria DNA and most of not all of them were human hybrid races.

In ancient times the Black races were referred to as the Black Eves. The Indian populations of the world were referred to as the Indian Adams. The white Scandinavian races were our Mitochondria Mother race who were known a people who were fair with pink cheeks. All ancient hybrid races knew them as THOSE WHO HAD THE DIVINE RIGHT TO RULE THE EARTH. They were known to be an incredible race before the gods/aliens came down to CONTAMINATE THE HUMAN RACE. The result of this DNA mingling is what ancients and the Bible referres to as the "FALL OF MAN."

THESE WERE THE THREE BASIC PEOPLE GROUPS

The Indian Adams and Black Eves were considered to be the hybrid races that were created through Intelligent Design. Other races were considered to be variations of these three groups but it is obvious that more ALIEN DNA tinkering was going on.

We have many other people groups that don't fit the basic three categories. We also have many races that have been swept under the rugs such as the Pigmies, the blue race and the list of odd and unusual people groups have been left to legends. All of these races regardless of how odd and unusual though have the original Mitochondria Mother DNA as far as I have been able to tell, they all carry alien DNA or what scientists call 'OTHER DNA.'

The race I will focus for this article are the Semites. The Semites were also alien human hybrids who used/red from tablets known as the Sumerian Texts. The Sumerian Texts like the Mormon Bible etc., were given to man by the gods/aliens. These Sumerian Texts informed the Sumerians that the gods/aliens came down to tamper with the DNA of primates to create a powerful slave race. These slaves do not just seem to be the Semites of the Indus Valley but they also appear to include the Black Eves, Indian Adams, people groups from the Far East etc. It is also very feasible that this race of workers aliens created to do mine work and heavy labor were what we call Big Foot, Dogman, Goatman, the Neanderthal etc.

The chimera they created were described as huge powerful slaves of the gods/aliens with primate DNA. Think of the Black Eve here and ask yourself were slavery came from then notice that this heavy duty slave race were created for one reason and that was to work the mines and act as slave labor for these alien gods.

It appears that those who promote the Sumerian Documents date them to around the same time as the flood of Noah, which was a global event that many different cultures wrote about which was the Younger Dryas Ice Age melt timeframe. Many cultures had

the same basic Noah and the Arch Story of a family who survived the flood. The flood existed in the Middle and Far East where ancient in Mesopotamia where the Epic of Gilgamesh is located.

FOR VERY DEVIOUS REASONS THOSE IN CHARGE TODAY WANT MANKIND TO BELIEVE THAT ALL OF US DESCENDED FROM THESE HUMAN HYBRIDS THAT WERE BRED IN THE MIDDLE EAST BY ALIENS/THE GODS. THIS IS NOT TRUE BUT THE BELIEF HAS LEGS AND THESE LEGS ARE ON A WALK ABOUT AS THEY HAVE SPREAD AROUND THE WORLD. The Internet, History Channel, MUFON, and the list goes on of groups that have jumped on the band wagon to promote the SUMERIAN ALIEN VERSION OF HUMAN ORIGINS. They do this DISPITE THE FACT THAT MANKIND IS MILLIONS OF YEARS OLD not 3.000 - or 12.000 years old.

IF THE GENERAL POPULATION BUYS INTO THESE LIEs THEN THE BELIEF WILL BE THAT WE WERE ALL CREATED BY ALIENS. BUYERS BEWARE OF THE DECEPTION.

We have now been learning about our Mitochondria Mother race thanks to the work of people who are DIGGERS. Our Mitochondria Mothers were incredible. If they did not exist as a race of human beings than aliens would not have been able to create their human hybrid races. Aliens have never been able to create human beings, even the ancients knew this but they do engage in rape, artificial insemination and cloning, using human DNA to create they hybrids.

P.S. Recently more bones were dug up in Spain that were 400.000 years old. They were the bones belong to a ALIEN HUMAN HYBRID race that primarily had human DNA that was odd. They thought that they were also related to the Neanderthal. Scientists

tell us that the Red Hair Gene did not originate with human beings that it came from the Neanderthal. These specimens came from a race that had red hair. This does not mean that some were along the way Neanderthals and humans bred but it does look like aliens played the Intelligent Design roll and combined the DNA of both groups to create the species that became the Denisovans. Many people are saying that these fossils were from the early Danisovans who were the early precursors the figure Cain in Christian lore known as the BLOODLINE OF CAIN in the Bible. These Canaanites have migrated into the rest of the world today as the race known for their red hair, pale skin, crooked noses and googlie eyes Celtic Irish English people.

This mixing of genes also happened after they bred with the Semites in the Old Testament who were recognized for their large crooked noses and googlie eyes. As we track their migrations today we find them in the British Isles, Europe and all over the world. In the Europe of Old their leaders were and are still today the Merovingian's (serpent and reptilian bloodline leaders) who falsely claim that Jesus and Mary's child married into their hybrid line of Merovingian royalty. Buyers Beware, know what is going on don't get fooled.

Below is Michael Cremo's critique on the subject. He tells us that most scientists claim tht these fossils to belong to the ape man Homoerectus; "Most scientists attribute the 400,000-year- old bones from Sima de los Huesos to early Neandertals, or to *Homo heidelbergensis*, a European relative of the apeman Homo erectus. But in my book Forbidden Archeology I documented fossil evidence showing that humans like us were present in Europe at 400,000 years ago."

You can't swing an umbrella around in the Internet or on other forms of media with out be inundated with data telling us that we were all created by aliens. They all take their cues from the Sumerian Tablets and Semite history, which is found in the Old Testament. The evil god, angels or gods that were worshipped in the Old Testament were not the Heavenly Father who Jesus came to introduce to the world. Once the Deuteronomy Revisionists removed all of the other gods the Jews worshipped, they began to refer to this evil god they chose as Yahweh Ildabaoth the Demiurge. They described him as a lion- faced reptilian in the Nag Hammadi documents and warned the Jews that they were worshipping an evil entity.

Now we are being inundated by the same lies; BUYERS BEWARE DO YOU HOMEWORK AND DON'T BE FOOLED. It is all part of what Jesus referred to as the END TIME DELUSION OF MANKIND

IS THERE A MAGDALENIAN BLOODLINE ALIVE TODAY WITH THE SAME PURE BLOODFACTOR AS THE NAZARENS?

IS THE FALSE AKA HYBRID MEROVINGIAN COPPER BASED AQUATIC BLOODLINE GLOBAL ELITE DELIBERATELY KEEPING THIS DATA FROM US AS THEY MISLEAD US INTO THINKING THAT THEY ARE THE DESCENDENTS OF THE NAZARENES WHO JESUS AND MARY ARE ASSOCIATED WITH?

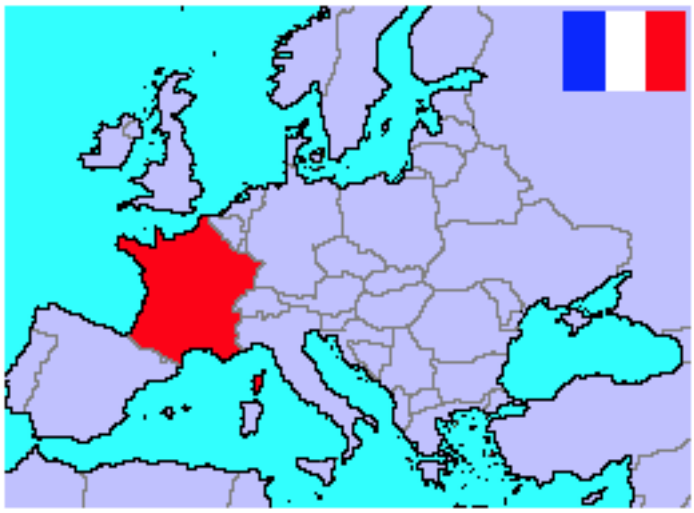
YES THERE IS A PURE MAGDALENIAN BLOODLINE FACTOR. PEOPLE WITH THIS BLOODINE ARE ALIVE TODAY. THEY ARE THE DESCENDENTS OF OUR MITOCHONDRIAL MOTHERS, which is the original race on earth.

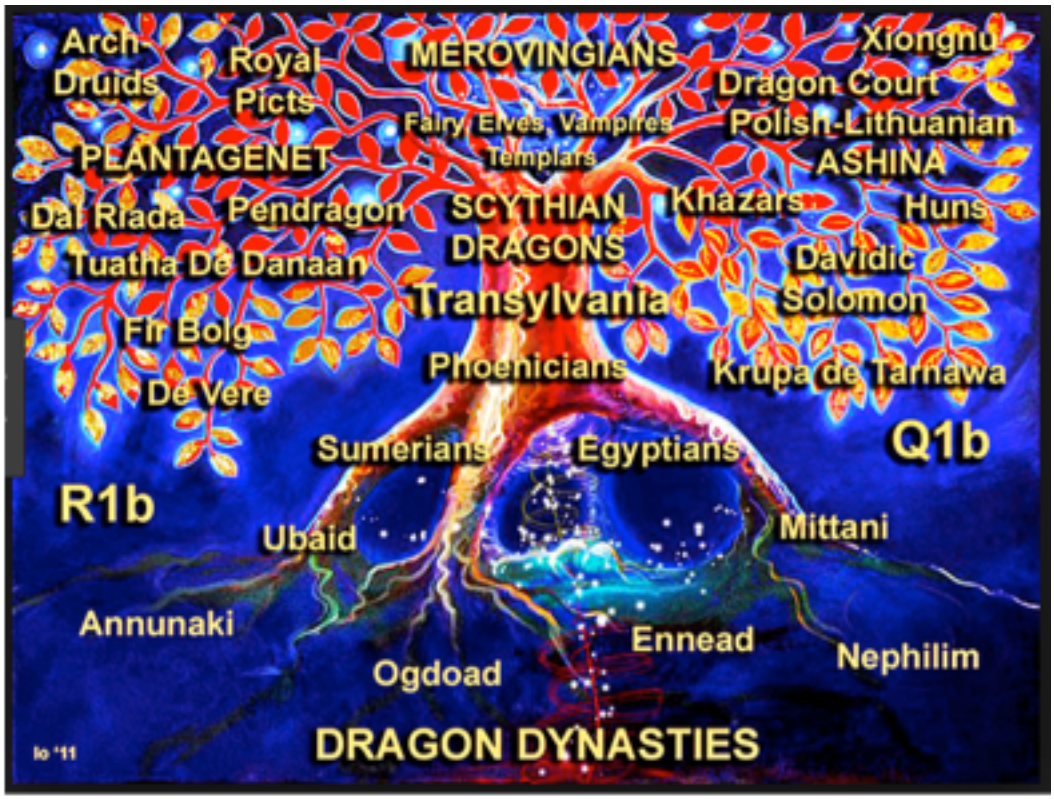
The Holy Grail books are FALSLEY promoting the HYBRID satanic Merovingian Serpent Bloodlines instead of the real ORIGINAL bloodline on earth that were created by JESUS (YASHUA) millions of years ago. MARY MAGDALENE was apparently a descendent of this original bloodline as were the Nazarenes of Northern Israel. The Holy Grail books promoting the false hybrid bloodline and other misinformation, disinformation and lies include the "DaVinci Code", "Holy Blood Holy Grail", Sir Laurence Gardner's books etc. The list of books and copycat authors that promote the Merovingian bloodline go on and on. These authors have incredible information to share with readers and a great deal of it is true as it relates to their HYBRID BLOODLINE descendents who BRED WITH THE DESCENDENTS OF OUR ORIGINAL MITOCHONDRIA MOTHER LINE.

The Mitochondria bloodline existed long before the hybrid copper based aquatic bloodlines were created.

Notice the crooked Jewish and Canaanite nose and googlie eyes

Merovingian Dynasty (476-750)





If Mary Magdalene traveled to the Magdalenian region of southwestern Europe to settle with the Scandinavian Magdalenian Era ancestors (and yes they were Scandinavians if you DO YOUR HOMEWORK) and if she was pregnant and gave birth to a child or children, then her direct descendents were NOT MEROVINGIAN'S. The Merovingian bloodline WAS CREATED 400 HUNDRED years after Mary landed on the shores of southwestern Europe, if that story is true. It was King Merovee

and his wife who gave birth to the hybrid Merovingian Bloodline 400 years after Mary gave birth to her child or children in southwestern Europe. Simply "DO THE MATH." Yes the hybrid bloodline also existed for thousands of years before King Merovee gave birth to what would LATER become the Merovingian bloodline which is the bloodline being featured in the Holy Grail books. It appears that this Scandinavian French King Merovee married into that hybrid bloodline that is being featured with red hair and dark hair.

It is almost impossible to understand the maze these authors who put these misinformation, disinformation and lies take you through unless you have DONE YOUR HOMEWORK. Most of these books are fiction not fact.

Their END GOAL is to FOOL THEIR READERS INTO BELIEVING THAT JESUS, MARY MAGDALENE AND THE MAGDALENIAN MITOCHONDRIA BLOODLINE WAS AN ALIEN HYBRID BLOODLINE when it WAS ACTUALLY the Merovingian bloodline descendents that were a hybrid copper based aquatic line, that was bred into the world by aliens.

WILL THE REAL NAZARENES ASSOCIATED WITH MARY AND JESUS (YASHUA) PLEASE STAND UP

We have all been laid to regarding the identity of Jesus (Yashua), the bloodline of the Nazarenes and Mary Magdalene. The Nazarenes that Jesus and Mary were associated with were really members of the Scandinavian Apiru tribes in Northern Israel. As a matter of fact they were the indigenous tribes in Israel until the dark hair dark eyed tribe from Jeddah Saudi Arabia, known as the Shoshu, migrated into the region and bred with the Scandinavians.

It was that dark hair dark eyed bloodline from Jeddah Saudi Arabia and Canaan that came to be known as the Judah Jews.

The descendents of the Apiru and Shoshu became the Hebrew people of the Old Testament. The Hebrew were really a mixed race. Apiru + Shoshu = Hebrew.

We have also been lied to regarding the evil demonic entities that were being worshipped by Jews, Hebrew Israelites, Ancient Sumerians, Egypt's, Mayans, Aztecs, Greeks, Romans, Indian Adams, and Black Eves etc. If you want to learn about the real identity of Jesus (Yashua), Mary Magdalene and these ancient ALIEN GODS OF EDEN, I invite you to read my articles that I have placed in my books, which you will find at Kindle Books and also Amazon.
